ENVIRONMENT CONSIDERATION

To comply with international goals and as part to save our planet we as Naghi Marine give huge consideration to environment.

Naghi Marine received ISO 14001 as part of its interest in environment.

We start to negotiate and to consider effect of emission to our atmosphere.

As apart we manage to have one pollution control vessel on contract with ARAMCO with huge oil recovery tanks capacity to be used in any oil spill in red sea.

ACCREDITATION & ISO CERTIFICATION

SAUDIZATION

As part of our responsibility as national company, we have training programs and aim to substitute expats with professional local employees.

We are looking to improve Saudi Seamen to comply with international standard in all ranks. Currently company is maintaining a healthy **50%** Saudization percentage, which was certainly quite challenging task and is not limited to this benchmark.

In regard to Kingdom of Saudi Arabia location Seaman job could be one of the major categories in future compiling with Saudi kingdom 2030 Vision.
