

HEKUR[®]

ARCHITECTURAL ENGINEERING

WHAT WE ARE?

WE ARE ARCHITECTURAL
ENGINEERS.

WHAT WE STANDS FOR?

WE STAND FOR **YOU.**

WHAT WE DESIGN?

WE DESIGN **ARCHITECTURE.**

WHAT WE'RE MADE OF?

#HEKUR_ARCHITECTURAL_ENGINEERING

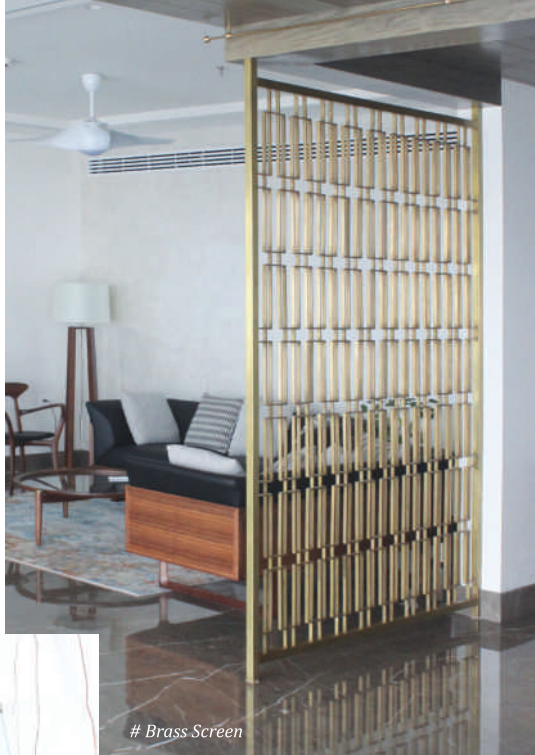

WE MADE OF **METAL.**

WHAT WE HAVE? WE HAVE ARCHITECTURAL SOLUTIONS.

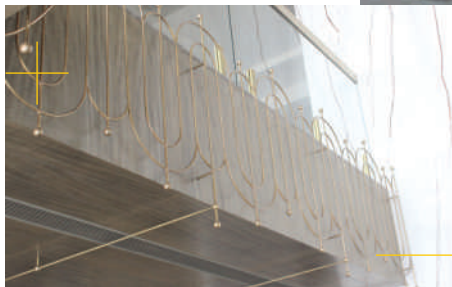

Pavilion, Kochi-Muziris Biennale '18
Architect: Anagram Architects

Over these years Hekur reached the paramount of its credibility by being a trustful partner in achieving their dream aboard, without compromising on strength and durability, Hekur brings an X-factor of style and comfort in its every venture. We are following the Legacy of being the best.

Brass Screen

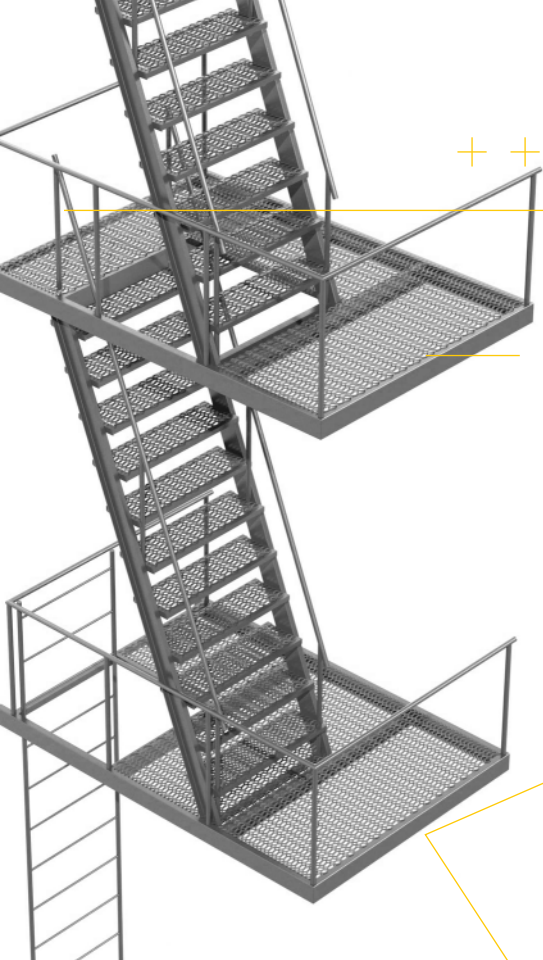

*Penthouse, Skyline Legend, Kaloor
Architect: Jabeen Zacharias Architects*

#HEKUR_ARCHITECTURAL_ENGINEERING

*We, Hekur follow
the old school
marketing strategy
'Word of Mouth'.
We love to travel
an extra mile to deliver
the best for our client.
The word travels
through them
unstoppable.*

Architect: Jerry, EGO Design Studio, TVM*

*A building is not just made of bricks and iron.
It's a dream one beholds. It is our pride that we are
a trusted partner in truing their dream into reality.*

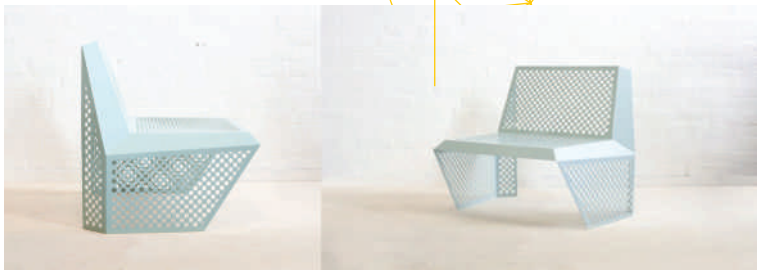

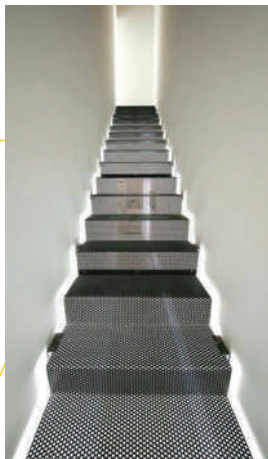

#HEKUR_ARCHITECTURAL_ENGINEERING

Every philosophy takes birth from a deep sense of responsibility accompanied by profound thinking. Therefore, when applied, these philosophies prove to be fruitful. Hekur's Turn Key Philosophy is no exception. It says:

SHARE, RELAX & TURN THE KEY

Hekur

Architectural

Engineering
